**( CHIEF GUEST )**

# DR. KALPANA KHARADE

Dr. Kalpana Kharade, a former elementary school teacher with teaching experience in urban BMC and Private schools , has scaled great heights professionally all due to sheer determination and persistence.

She is presently Associate Professor, a recognized PhD guide and Vice Principal of the College of Education. At KJSCCETR , right from its inception, her prowess in subjects such as Philosophical Foundations of Education, Methods of Teaching Languages, Teacher Education , Institutional Building and Evaluation is manifested in her effective curriculum transaction .

A staunch propounder of inclusive education, especially for the visually challenged, Dr Kharade's thrust research areas include Qualitative research methods, Inclusive education, Instructional interventions for struggling readers and writers, Visually challenged and for children with diverse needs.
