

National Level Project Competition - "KJSIEIT - INTECH-2K20"

About KJSIEIT

The K J Somaiya Institute of Engineering and Information Technology (KJSIEIT), was established by the Somaiya Trust in the year 2001, at Ayurvihar campus, Sion. The institute was set up primarily in response to cater the need for imparting quality education in the modern field of Information Technology and allied branches of engineering and technology, a big leap to develop ourselves into a prosperous nation of the 21st century. Institute have been awarded by various National & International professional bodies & organisation for its continuous contribution in the field of Engg. & Tech.

About IET

The IET is one of the world's professional societies for the engineering and technology community with more than 160,000 members in 127 countries and offices in the Europe, North America and Asia-Pacific regions. The IET provides a global knowledge network to facilitate the Exchange of ideas and promote the positive role of science, engineering and technology in the world.

About KJSIEIT-INTECH 2K20

The primary goal of the National level Project Competition KJSIEIT-INTECH 2K20 is to promote project, application oriented development activities in the budding engineers of our country to make them realize the interdependence of science, technology and society. It is a national level platform for young engineers to interact, share knowledge and innovative ideas. The competition will develop problem solving approach and appropriate technologies, especially for need based areas and integrating solutions for daily life problems.

Topics for Competition

Any project related to domains of Computer Engineering, IT, Electronics and Electronics and Telecommunication with working model, Simulation is eligible to participate.

Eligibility Criteria

Competitions is open for
- Diploma Students,
- Undergraduate Engineering Students and
- Postgraduate Engineering students.

Competition Date:
April 04, 2020

Prizes

Prizes	Category 1	Category 2	Category 3	Category 4
Winner	2500/-	2500/-	2500/-	2500/-
Runner up	1500/-	1500/-	1500/-	1500/-

Category 1 – Electronics & Telecommunication Engineering

Category 2 – Computer Engineering

Category 3 – Information Technology

Category 4 – Electronics Engineering

Submission Procedure

Register on following link

Online Link for Registration:

<http://www.somaiya.edu/en/view-events/842>

Interested students are invited to submit the abstract before March 15, 2020.

Registration fees: Rs. 200/- (per team)

Rules and Regulations

- Projects must be the original design and creation of the entrant(s).
- Projects should be beneficial to society.
- Students should demonstrate working model.
- Group size (minimum 1,maximum 4)
- For every group 10 minutes are given for demo.
- Every group has to make poster for their project in the given template
- Students should report on time. Failing to which they will not be allowed to participate in competition.
- Judges decision will be considered as final.
- Registration Timing : 8:30 am to 9:30 am
- Competition Timing : 10:00 am to 1:00pm

Important Dates

Last date for registration : March 15, 2020

Date of Competition : April 04, 2020
